Client to complete:

Optional extras: We offer several optional extras to enhance your survey if required. **These do carry an additional charge** as they fall outside of the RICS survey format and take more time to prepare.

If you require these please indicate this below and I can calculate this within your survey fee.

Item	Description	Cost	Yes	No
Digital Pole Camera	The use of a digital pole camera to reach high roofs, facias and hard to reach spaces. This will produce either a video or images that you may review and keep for your reference.	£38		
Cost Estimates for repairs	Cost estimates are included within the RICS Building Survey on items over £400 in value as standard, however for all other survey types these are not included as standard. Add them to assist you with your pre-purchase costings.	£55		
Larger selection of images	A drop box link to all images taken during inspection.	£15		
48-hour report turn-around	Receive your report back within 48 hours from the day after the inspection	£95		
Hard Copy Report	A printed and bound hard copy of your survey report posted to your home address.	£9		

Please acknowledge the Terms of Engagement for your chosen survey type

“I acknowledge the Terms of Engagement appropriate to my survey type”.
